7/31/96

Dear Ms. Singleton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H2 indicates the allocation ratio for both event 313-325-321 and 312-309-301-310 was revised during the reporting period. Please provide the date on which this revision became effective and the date of the fundraising event. In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

-Schedule H4 shows a transfer to the non-federal account for a ratio adjustment for event 313-320, however, the corresponding Schedule H2 for this event is marked to be the "same as previously reported." Please amend your Schedule H2 to reflect the proper ratio information and to include the date on which this revision became effective and the date of the fund raising event.

-Schedule H4 shows a transfer to the non-federal account for a ratio adjustment for event 312-000-000-310, however, the corresponding H2 filed with the May Monthly Report (4/1/96-4/30/96) for this event is marked "new". Please amend your Schedule H2 to reflect the proper ratio information and to include the date on which this revision became effective and the date of the fundraising event.
